*"Thank you so much for an amazing event. Our group of clients and internal executives had a great time and learned a lot. Wine can be an intimidating topic but you have a way of making it approachable and fun! On a personal note, to have the opportunity to ask you all of my burning wine questions was definitely a bucket list item for me so thank you for that! I can't wait to work with you again for future events."*

*"I engaged with Brett for two very different virtual events and my experience could not have been more positive, tailored and fun! The wines that Brett selected were wonderful - all were absolutely crowd pleasers! Brett adjusted his style and approach to teach them new things and make sure that those who were less experienced still felt included. The level of service was top notch for each event."*
